# ART AND ENVIRONMENT

The Art and Environment Committee consists of volunteer parishioners who have a love of the liturgy and create seasonal environments that complement our worship.

Much more than "decorating," the Art and Environment Committee is sensitive to the rhythm of our liturgical life and creates settings that enhance our prayer and give us an even deeper sense and feeling for what we are celebrating at any particular time of the liturgical year.

The Art and Environment Committee works year round and meets on the first Tuesday of each month at 10:00 a.m. to do their planning.
