FUNERAL COORDINATOR MINISTRY

- 
- 
- Being part of the Funeral Coordinator Ministry is one of the most rewarding of ministries.
 - Reaching out to those who are most vulnerable and feeling the pain of loss, you become like Christ healing the sick and wounded.

In this ministry you will assist at funeral liturgies by:

- Preparing for the Mass
- Learning about the symbols and items we as Catholics use at funeral Masses
- Preparing to receive family and friends into the church
- Coordinating with the St. Martha's Guild Ministry for receptions after the liturgy

The look of thanks and gratitude on a family member's face for simply handing them a box of tissues is priceless.

No other ministry requires so little to yield so much in return.
