St. Ignatius of Antioch Church

ALTAR SERVER MINISTRY

- 
- ▶ Do you think you know the Mass?
 - ▶ Do you know what action follows the next?

Learn the Mass from a completely different perspective.
Be where the action is. Be part of the Mass in a way
you've never been before.

BECOME AN ALTAR SERVER

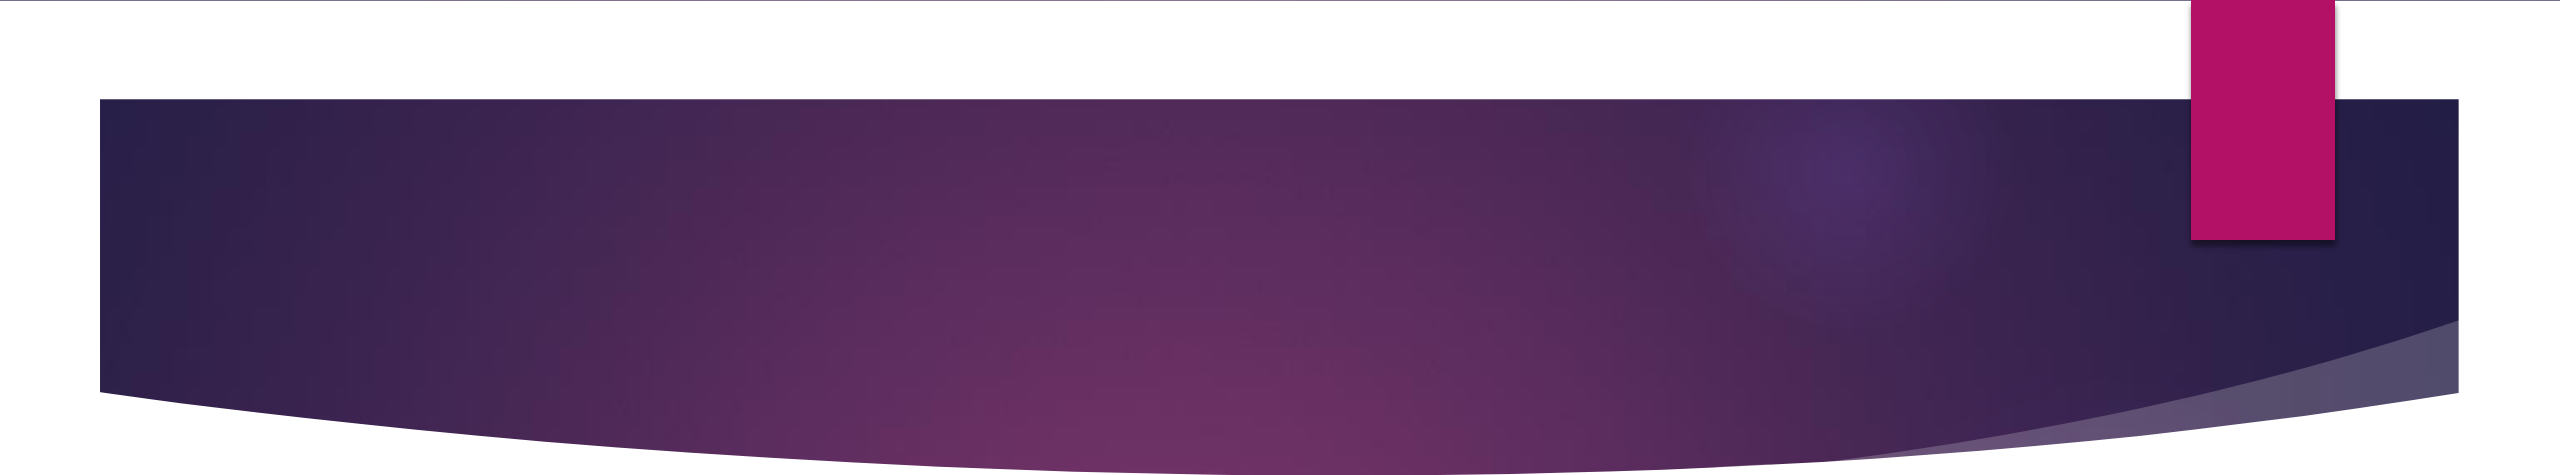

In this ministry you will learn:

- ▶ The first steps of the procession into the church at the Mass' beginning.
- ▶ The presentation of the bread and wine.
- ▶ Assisting Father at the altar.
- ▶ The recessional out of the church.
- ▶ And everything in between.

As an Altar Server you will learn the cues to discern what action comes next and when you should initiate it.

- 
- ▶ Being an Altar Server is ministering to God, his Son Jesus, the priest/presider and to the people who come to worship.
 - ▶ It is a service that can be done by one server or divided among a half dozen servers.
 - ▶ There can never be too many Altar Servers.
